Frequently Asked Question:

Question: Why are my monthly installments the same rate every month when some months have fewer school days than others...Thanksgiving, Christmas, and Spring Break, etc.?

Answer: We discounted your rates off our regular rates of \$33.00 per day in advanced based on an average of 171 school days per school year. Paying the same amount each month makes it easy for our parents and our company to budget. As a bonus, we factored into your discounts 5 emergency closure days. In addition, all specialty activities and programs provided are paid

TUITION / AFTER SCHOOL KINDNESS, INC.

for and sponsored by After School Kindness, Inc. An additional bonus is that we calculate the weekly installments x 4 weeks to get to your monthly rate instead of the regular 4.3 weeks in a month.

Charge Dates: All childcare tuition is charged in advance on the 1st of each academic month.

Hours of Operation: After school care begins from the regular release time of your school until 6:00 PM. Before school care begins at 6:45 AM to the start of school.

Holidays / Tuition Structure: We have pro-rated our rates based on all school days out, and 5 emergency closure days. Month-to-month discounted fees have been prorated according to the school's calendar days throughout the academic school year. The same monthly tuition will apply for every month regardless of days off in that month.

By using the individual school's calendars, we have calculated holidays and school days out when determining the discounted tuition rates for both full-time and part-time students. Therefore, your payment amounts will remain the same throughout the holiday season, ensuring a consistent and convenient payment schedule for you.

Additionally, we understand that unexpected circumstances may arise, which is why we have accounted for 5 emergency closure days within our tuition structure. If there are fewer than 5 emergency closure days during the academic year, you will benefit from those extra days free of charge.

At After School Kindness, Inc., we prioritize transparency and fairness in our operations. Our goal is to ensure a smooth and reliable experience for both you and your children throughout

the academic year. Thank you for your trust and support as we strive to provide the best possible care for your children at After School Kindness, Inc.

Enrollment Tuition Notes: On the 1st of each month, if you have not communicated with the main office, we will assume your child is continuing with the program on their regular schedule. You will be charged for care until you call (970) 833-5494 to cancel your child from the program. If you cancel and then re-enroll, there will be an additional \$100.00 registration fee required to reinstate your child(ren) to the program and be put on the drop-in rate status for the rest of the school year, assuming space is available. Tuition is based on an average of 171 school days per year or 18 days p/mo. **Credit and debit card payments are subject to a processing fee equal to three percent (3%) of the total transaction amount. This fee is charged by the payment processor and will be added to each applicable transaction.

Payments made via Automated Clearing House (ACH) transfer are subject to a flat processing fee of one dollar (\$1.00) per transaction.

For your convenience, ACH payments are recommended as the preferred payment method.

If your monthly installments are *not* drafted for any reason, you are still liable for all installments for services once our audits are complete. Please contact the main office if you do not see a monthly charge on your account so we can make sure you are secured for further installments.

After the 1st late pick-up, you will receive a warning and a discussion on how to resolve the problem. After the 2nd late pick-up, you will receive an additional \$20.00 penalty fee. After the 3rd late pick-up, you will receive a \$50.00 penalty fee and will be suspended from the program until further review.

Tuition Late Fees: \$5.00 declined credit card fee - \$30.00 additional fee if not cleared within 5 days of the due date after we have notified you.

- We follow the school's calendars to determine which days we are open. We do not operate from the school(s) on days out or emergency closure days.

TUITION / AFTER SCHOOL KINDNESS, INC.

- We must schedule and pay staffing two weeks in advance in the assumption your child will be there as you scheduled. There are no make-up days, refunds, or prorated discounts for days or hours missed for any reason that is not the fault of After School Kindness, Inc.
- Please be aware that space is limited due to high demand, if you withdraw your child from the program and want to re-enroll, you will be put on our drop-in rate status until the end of the school year. Note, there is no guarantee that a spot will be available when you are ready to re-enroll.
