Frequently Asked Question:

Question: Why are my monthly installments the same rate every month when some months have fewer school days than others...Thanksgiving, Christmas, and Spring Break, etc.?

Answer: Paying the same amount for each month makes it easy for our Parents and our company to budget. We took all of the school's calendars and pro-rated the number of days in and out of session, then discounted the monthly tuition rates off our regular rates based on the average days the children are in school. As a bonus, we factored into our discounts 5-FREE emergency closure days for our families. In addition, all specialty activities and programs provided are paid for and sponsored by After School Kindness, Inc. An additional bonus is that we calculate the weekly installments x 4 weeks to get to your monthly rate instead of the regular 4.3 weeks in a month.

Charge Dates: All childcare tuition is charged in advance on the 1st of each academic month.

Opening Times: After school care begins from the regular release time of your school until 6:00 PM.
Before school care begins at 6:45 AM to the start of school.

Holidays / Tuition Structure: We have factored in holidays, school days out, and emergency closures at After School Kindness, Inc. Month-to-month fees have been pre-prorated according to the school's calendar days off throughout the academic school year. The same monthly tuition will apply for every month regardless of days off in that month.

By using the individual school calendar, we have calculated holidays and school days out when determining the discounted tuition rates for both full-time and part-time students. Therefore, your payment amounts will remain the same throughout the holiday season, ensuring a consistent and convenient payment schedule for you.

Additionally, we understand that unexpected circumstances may arise, which is why we have accounted for 5 emergency closure days within our tuition structure. If we happen to have fewer than 5 emergency closure days during the academic year, you will benefit from those extra days free of charge.

On the other hand, if we exceed the 5 emergency closure days due to unforeseen circumstances, we are committed to providing fair compensation. In such cases, you will receive a credit toward your account. This credit can be used by the end of the academic school year, allowing you to utilize it for future tuition payments.

At After School Kindness, Inc., we prioritize transparency and fairness in our operations. Our goal is to ensure a smooth and reliable experience for both you and your children throughout the academic year. Thank you for your trust and support as we strive to provide the best possible care for your children at After School Kindness, Inc.

Full-time, Part-time, and Drop-in Childcare

Enrollment Tuition Notes: On the 1st of each month, if you have not communicated with the main office, we will assume your child is continuing with the program on their regular schedule. You will be charged for care until you call (970) 833-5494 to unenroll your child from the program. If you unenroll and then re-enroll, there will be an additional \$100.00 registration fee required to reinstate your child(ren) to the program, assuming space is available. Tuition is based on an average of 171 school days per year or 18 days p/mo.

If your monthly installments are *not* drafted for any reason, you are still liable for all payments for services once our audits are complete. Please contact the main office if you do not see a monthly charge on your account so we can make sure you are secured for further payments.

Late Pick-Up Fee: A \$1.00 per minute late pick-up fee will be charged to your account for all unapproved late pick-ups after 6:00 PM. After the 1st late pick-up, you will receive a warning and a discussion on how to resolve the problem. After the 2nd late pick-up, you will receive an additional \$20.00 penalty fee. After the 3rd late pick-up, you will receive a \$50.00 penalty fee and will be suspended from the program until further review.

Tuition Late Fees: \$5.00 declined credit card fee - \$30.00 additional fee if not cleared within 5 days of the due date after we have notified you.

Cancellation Policy: Cancel at any time with a 2-week emailed notice or call the main office to notify us of your withdrawal from the program. There is no cancellation fee.

Payments Accepted: Visa, MC, Discover, Check Debit Card, ACH Bank Transfer

Early Release Days: Before Care will be available (if your school offers it). Aftercare will be closed unless specifically noted. No after school care if your child's school declares an emergency closer day and cancels all after school activities.

Helpful Notes:

- We follow the school's calendars to determine which days we are open. We do not operate from the school(s) on days out or emergency closure days.
- We must schedule and pay staffing two weeks in advance in the assumption your child will be there as you scheduled. There are no make-up days, refunds, or prorated discounts for days or hours missed for any reason that is not the fault of After School Kindness, Inc.
- Please be aware that space is limited due to high demand, if you withdraw your child from the program, there will be no guarantee that a spot will be available when you are ready to re-enroll.

**We look forward to providing the highest quality childcare for our community.
Thank you for your integrity, communication, and trust as we serve you and your family
throughout the academic school year.**
